

Foreign Language Awards

Brought to You by

If you are an NTEU-represented CBP officer, you may be eligible for a foreign language proficiency award.

Are you using your foreign language skills and not receiving an award? You might qualify for up to 5 percent of your base salary.

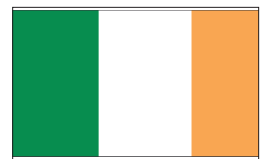

This program is only available to you because:

- 1) NTEU worked to get the Foreign Language Award (FLAP) program enacted into law.
- 2) NTEU negotiated the agreement on behalf of those employees we represent.
- 3) NTEU took action when the agency failed to comply with the agreement.

NTEU is the only union to provide FLAP to its bargaining unit.
