

Hey CBP employees . . .

You know that substantially higher uniform allowance you get?

NTEU won that for you.

And NTEU won pay for your ability to speak a foreign language.

Along with paid travel time when you have to return to work.

And a ton of quality-of-work life benefits, including alternative work schedules.

Double-time for overtime for CBP officers.

And a job swap program that allows you to move to a new location.

NTEU won that for you, too.

There's more. A lot more. But you get the point.

A stylized graphic of the American flag, featuring a blue field with white stars on the left and three orange stripes on the right, all rendered with a brushstroke effect.

NTEU. Fighting on your side for 30 years.
